Re: Duane Marine Site, Perth Amboy, New Jersey

Dear Jack:

Thank you for your report on the status of the Committee's activities at the Duane Marine site.

Pursuant to your request, made in the course of yesterday's telephone conversation, I am sending a copy of the memorandum which records the basis for the decision made by EPA to instruct the Duane Marine Respondents who are conducting the removal action at the site to incinerate the PCB sludge from the big green tank.
